**ORDER IN COUNCIL SETTING UP COMMISSION FOR TREATY 3**

The Committee have had under consideration the memorandum dated 19th April, 1871, from the Hon. the Secretary of State for the provinces submitting with reference to his report of the 17th of the same month that the Indians mentioned in the last paragraph of that report and with whom it will be necessary first to deal occupy the country from the water shed of Lake Superior to the north west angle of the Lake of the Woods and from the American border to the height of land from which the streams flow towards Hudson's Bay.

That they are composed of Saulteaux and Lac Seul Indians of the Ojibbeway

Nation, and number about twenty-five hundred men, women and children, and, retaining what they desire in reserves at certain localities where they fish for sturgeon, would, it is thought be willing to surrender for a certain annual payment their lands to the Crown. That the American Indians to the south of them surrendered their lands to the Government of the United States for an annual payment which has been stated to him (but not on authority) to amount to ten dollars per head for each man, woman and child of which six dollars is paid in goods and four in money. That to treat with these Indians with advantage he recommends that Mr. Simon J. Dawson of the Department of Public Works and Mr. Robert Pither of the Hudson's Bay Company's service be associated with Mr. Wemyss M. Simpson-and further that the presents which were promised the Indians last year and a similar quantity for the present year should be collected at Fort Francis not later than the middle of June also that four additional suits of Chiefs' clothes and flags should be added to those now in store at Fort Francis-and further that a small house and store for provisions should be constructed at Rainy River at the site and of the dimensions which Mr. Simpson may deem best-that the assistance of the Department of Public Works will be necessary should his report be adopted in carrying into effect the recommendations therein made as to provisions, clothes and construction of buildings.

He likewise submits that it will be necessary that the sum of Six Thousand dollars in silver should be at Fort Francis subject to the Order of the above named Commissioners on the fifteenth day of June next-And further recommends that in the instructions to be given to them they should be directed to make the best arrangements in their power but authorized if need be to give as much as twelve dollars a family for each family not exceeding five-with such small Sum in addition where the family exceeds five as the Commissioners may find necessary-Such Subsidy to be made partly in goods and provisions and partly in money or wholly in goods and provisions should the Commissioners so decide for the surrender of the lands described in the earlier part of this report.

The Committee concur in the foregoing recommendations and submit the same for Your Excellency's approval.

Signed: Charles Tupper
